Guidelines for authors/reviewers

We are inviting your contributions in the form of unpublished research articles/paper related to English Language, Literature and Criticism for the latest issue of our journal. The manuscript is to be sent through email at kmvoracle@gmail.com or you can also upload your manuscript for review on our online portal <http://kmvjalandhar.ac.in/kmv16/oracle/>. The papers/articles submitted for publication should not exceed 5000 words. The manuscripts offered for publication should be typed on one side of the sheet with 1.5 spacing using Time Roman 12 point font in Microsoft Word 2007/2010/2013/2016 with about two inch margin on both sides. For all references, MLA style sheet latest version must be followed.

The authors/contributors are to certify on a separate paper that the submission sent for publication are original and have not been published or under consideration with another journal/conference in any form.

All submissions must carry the name of the author and the co-author(s), if any, and the institutional address(es) on the title page of the article/submission.

Publication policy of the journal

The articles and other submissions offered for publication are sent to our reviewers/referees to check if they are suitable for publication. The reports of the reviewers/referees along with the papers are sent back to the author for corrections/changes, if any. If reviewers find them suitable, they are accepted and the authors are intimated about the acceptance.

The decision regarding the acceptance of a typescript will be conveyed within 2 months from the receipt.

The decision of the Editor regarding the publication of a paper would be final.

No publication fee is charged for manuscript consideration and subscribing the journal is not a guarantee for acceptance of paper for publication.

Review Process

The manuscripts submitted are peer reviewed by our review team and the acceptance decisions will take into account paper novelty, technical depth, elegance, practical or theoretic impact, and presentation. The manuscript should have following features to enhance the acceptance chances:-

Original: the paper explores a new idea, project or issue; discusses existing research with promise of new insight, discusses new research; or presents new ways of considering existing information

Engaging: presentation format will involve the audience in some way, or has high potential to attract conference attendees by addressing needs of the community

Significant: the paper raises and discusses issues important to improving the effectiveness and/or sustainability of open education efforts, and its contents can be broadly disseminated and understood

Quality: claims are supported by sufficient data; claims draw upon relevant literature; and limitations are described honestly

Clear: the intended outcomes of the paper are easily understood

Relevant: the paper falls in the scope of the journal

Ethical Policy of the Journal
